

How the program works:

1. Pre Approval Proposal Submission

Before purchasing equipment or committing to a project, you complete the Pre-Approval Application Form

2. Pre Approval Proposal Review

AEP Ohio reviews the application and if approved funding will be reserved

3. Funding Reservation

AEP Ohio provides you with a letter of pre-approval and funding reservation

4. Project Completion

You complete the project installation by the date specified on the approved proposal and complete the Final Application Form

5. Final Application Review and Approval

AEP Ohio reviews final application and, if approved, verifies the incentives to be paid

6. Incentives Paid

AEP Ohio releases the funds to the you within 30 days of approval
